Dedication

We, the Senior Class of 1958, proudly dedicate this volume of "The Tiger" to our own Senior Counselor, Mrs. M. M. Chandler, and Principal, Dr. H. I. Holland. To us, they have been the foundation upon which the success of this annual has been made.

In us, as well as the entire student body, they have instilled the desire to become the worthwhile citizens and leaders that we are capable of being. We sincerely wish to extend an expression of appreciation and love to these individuals who have unselfishly given their time and efforts to the interests and advancements of Lincoln High School.

We only hope they will accept this yearbook as our token to them for being such wonderfully understanding persons.

To My Friends in the Lincoln High School:

May I again have the privilege of joining your principal, your teachers, and your many other friends in wishing you a happy "Tiger Day". No other time of the year is like this day. Your associates will sign your book; you will sign their books; all in all, it is a kindly, good time.

For the seniors this is a particularly auspicious day. You will never have another one like it. So as you go about your halls and classrooms exchanging good will and happy experiences, please take with you my very best wishes, both for today and for the years ahead.

Sincerely yours,

W. T. White
Superintendent of Schools
